*The Jesuit Center is a Serene setting
for self reflection and meditation.*

Ohio W.O.M.E.N. has two purposes: (1) to create an atmosphere of trust, love, understanding and friendship; (2) to enable women to better understand themselves, others and a power greater than themselves.

*I love walking the labyrinth and then
sitting by the river and relaxing.*

*I love the fact that I can make
payments to attend this event. It
makes it easier on my budget and
allows me to attend.*

Every year I have a great time and learn something new to add to my program. The workshops are great, thought provoking events.

*Having attended for many years, I
was heartbroken one year to think I
would have to miss this wonderful
event. Then I remembered the
scholarship fund, I applied and was
awarded a partial scholarship
which allowed me to attend. What
a wonderful service!*
